

## RF KITS FOR ECONO Drive Operators

### **INCLUDES:**

- **ECONO RF Basic Control**
- **Transmitters**
- **Hangers**

### FEATURES

The Remote Kit is a cost-effective customized solution providing basic automatic control for the door using transmitters. An open stop and close button are provided on the transmitter. The receiver control is easily connected through a plug and play connector.

(The Company reserves the right to amend product specifications and information without notice.)

The Accessory Kit featured in this document is the standard offering.

If these do not meet your requirements please contact Dortech Sales to provide a tailor-made solution in accordance with your specific needs.
